PIPE & FITTING

ABOUT US

RFL Plastics is a sister concern of PRAN- RFL group. The company was founded by Amjad Khan Chowdhury in 1981 with a vision to leveraging the farmer in irrigation as well as ensuring drinking water through water pump & tube well. After that it commenced its operation in different categories. In 1996, the company intensely diversifies in PVC, plastics, electronics and metal categories to be at par with changes in technology and habits of mass.

RFL has maintained the consistency throughout these decades so far quality is concern. Ensuring best quality uPVC pipe & fittings were great customer concern. We are committed to customer for the best quality pipe & fittings in the country. Brand communication, best quality and availability of the product is the story behind the promise.

Now we are exporting all kinds of uPVC pipe & fittings internationally.

OUR CREDENTIALS

It Is our pleasure that we have got several recognitions from both local and international organization as the best business enterprise through sustainable growth.

INTRODUCTION

- We are sourcing raw materials internationally from VIETNAM
- Using all modern technology
- First time in Bangladesh fully automated uPVC Factory
- The factory has its own power generation system

Feature:

Accurate thickness & Length (BDS 1031: 2006)

High pressure resistance

Higher durability and longevity

Best quality product ever in BD due to fully Automated

Greater resistance to corrosion

Widely used in:

Industrial

Water & Sewage pipes

Commercial /Residential Building

Structural purposes

Certificate:
